## *Mission Statement*

Disciple ex-prisoners and their families from captivity, through the wilderness, to freedom.

## *Vision Statement*

Exodus House is a comprehensive residential care ministry of Redemption Missions, and of the Criminal Justice and Mercy Ministries (CJAMM) Board of the Oklahoma Conference of the United Methodist Church. Our primary purpose is the provision of a disciplined and mutually accountable Christian community in which basic changes can be made and new ways of living tested and strengthened for persons desiring to make a new beginning after release from prison. We believe that with God's grace, change is possible and that, in Jesus Christ, creation begins anew. (*II Corinthians 5: 17*)

## **Answers to Frequently Asked Questions (FAQs)**

Thank you for your interest in Exodus House Ministries. Before you complete the application, please read the following information carefully. Please keep in mind that the Parsonage in Tulsa is part of Exodus House Ministries.

### ***What is Exodus House Ministry?***

Exodus House is an inter-denominational Christian organization established for the purpose of helping released ex-offenders and their dependent children to become productive, cohesive family units. We offer assistance in job placement, budgeting, homemaking, living skills and parenting. Families and individuals selected for the program are given rent-free housing in our apartment community located at 433 NW 25<sup>th</sup> Street, Oklahoma City, Oklahoma 73103 and 2624 E. Newton Street, Tulsa, OK 74110.

During their stay at Exodus House, residents are required to find and maintain full-time employment, attend arranged evening meetings and save money in order to be self-sufficient at the end of their residency. Each resident is given personalized guidance in regard to their other needs, such as family and/or individual counseling, drug aftercare, and education. We strive to help those individuals who are committed to make positive changes in their lives, and to achieve a level of success which will empower them to become self-motivated and be able to stand alone as a family unit or individual who is an active church member, and a productive member of a healthy community.

We are a reintegration program. You will be required to follow all policies, procedures and programs that are deemed necessary for your reintegration.

### ***We envision and will work to develop the structures to empower the following:***

- Parents reunited with their children and living fulfilling lives.
- Children nurtured and treasured by their parents, receiving affirmation and guidance from the whole Exodus House “family”.
- Christ-centered spiritual growth.
- Gainful and productive full-time employment for all resident families.
- Networking with groups, agencies, corporations, and individuals of good will, for the sake of building a safer and more caring community.

We offer a continuity of care through Exodus House staff and activities, and through the ministries of Redemption Missions, by which families who “complete” from the Exodus House program may keep on growing and have a functional, supportive community in which to reach out and encourage others in their beginning journeys of faith and fellowship.

### ***What are the apartments like?***

The apartments are one or two bedrooms with a living room, a kitchen, dining area and one bath. Each apartment is fully furnished.

The Parsonage House is a men’s home in Tulsa and all Parsonage House residents abide by same program and rules at Exodus House residents.

***What are the requirements to be involved with Exodus House ministry?***

1. You must have a desire to change. This is a free housing program, with responsibilities required of the residents. If you are not willing to abide by strict rules and to live differently than you have in the past, you will not want to live here.
2. Adults who are able-bodied must work at a full-time job or the equivalent. No second or third shift jobs are allowed.
3. The program and structure of Exodus House are set up for your family (dependent children under 18 years of age) to live with you.
4. Those adults who are selected to live as part of the Exodus House community who do not have children living with them may be assigned to share space with a roommate. Mutual respect makes these arrangements positive and constructive for all concerned.
5. All residents upon completion of the Exodus House program are provided with free furniture, beds, dressers, dishes, household items, and pictures to furnish their new home/apartment.
6. Every resident is required to pay \$400.00 a month for savings once they begin working with a minimum of \$300.00 in 90 days. If you already have a job upon coming into the program you must pay a minimum of \$100.00 and begin saving immediately. There is no 90 day period to pay.
7. You must be drug and alcohol free, one day at a time, with a total commitment to stay that way. Random urinalysis tests are done at Exodus House. Refusal is considered a positive UA result. You will be tested upon arrival.
8. Each resident is expected to follow the house rules (attached) and to respect all neighbors and guests.
9. Each resident will secure their own residence by the end of their stay at Exodus House.
10. Each resident family will help with apartment and apartment community upkeep each month.
11. You must state in writing at the time of your application the full extent of your outstanding court costs, fines, assessments, and restitution due upon release, and to what jurisdictions you will be required to appear to make payment arrangements. If you are on probation/parole and leave this community, we are under obligation to notify the applicable authorities of your change in residency.
12. No pets are allowed in the apartments or on the property unless they are the property of staff. This is a temporary home for residents.

## **Application Process**

1. Fill out and mail an application back to Exodus House no less than ninety (90) days before your release. Included with the application is a CRC information release form. Sign this and give it to your case manager. He or she will then mail the needed information to us. (We must have this information before we schedule an interview for you.)
2. After we have received your application with all information filled out and signed along with your CRC and case manager information, then through your case manager, we can schedule an phone interview with you through the facility.
3. After your interview, all of your information will be presented to staff. Upon their approval, if space is available or projected as being available at the time of your expected release, you will receive an acceptance letter and/or call of acceptance to your case manager. Only then can you use Exodus House as an official home offer. Be sure to give a copy of your acceptance letter to your case manager as your home offer for Parole. If you are denied, you will be notified in writing.
4. If you are approved for acceptance into the Exodus House, but no space is available, we will notify you of this by letter. You may be placed on the waiting list if you elect to do so in writing, by letter. From time to time, residents drop out of the program at our request or theirs, and a space can become available, so stay in touch! Remember that through God all things are possible. Remember, Exodus House can not be your home offer until space is available, and you have been accepted into the Exodus House program.

### **Other important information for you to be aware of:**

Applicants please remember that you can not become employed without both of the following:

- A social security card;
- Birth Certificate
- A valid Oklahoma state picture ID or driver's license.

You will need a certified copy of your birth certificate to obtain a state ID. Please try to obtain these through your reintegration officer at least sixty (60) days before your release.

Before your release, determine if you have any outstanding warrants for traffic tickets or any other unresolved court matters. If you do, write the applicable county officer, court, or other authority before release to make arrangements for settling these issues. Keep any written agreements as an important paper. It is much easier to handle these matters in writing, before release, than if picked up after your release.
