We're excited to announce a new opportunity in 2022 to support the ministry of CJAMM. **Club 22** is for those who commit to invest in CJAMM for 2022.

CJAMM recently announced their recidivism rate. "We are at an impressive 3.1 percent recidivism." said Keith Dobbs, CJAMM's Executive Director. "That means that almost 97 percent of those who have completed the program within the last seven years have not reoffended or been reincarcerated."

Oklahoma's three-year recidivism rate is 20.1 percent, according to the World Population Review (worldpopulationreview.com) recidivism rates by state for 2021.

For over the last 25 years, CJAMM has operated a faith-based, prison reentry program including Exodus Houses and Parsonage House. CJAMM is funded solely by donations from individuals and a handful of foundations and corporations. CJAMM receives NO state or federal dollars although we provide a service to the state that exceeds millions of dollars in value.

We need your help so we can continue to offer our tried-and-true, successful, faith-based, re-entry program from incarceration to second chances as successful citizens. CJAMM operates the Exodus House programs and New Day Camp (a camp for children with incarcerated parents) on a shoestring and with lots of prayers.

Would you consider being one of 22 individuals or groups to give \$1000 to invest in the future of our society in Oklahoma? With increases in expenses for our services, an additional \$22,000 towards our operating costs during this year would allow us to continue at our current level.

Or can you give at another financial level? Just 22 cents a day for this year would add up to an \$80+ donation! See the attached donation form for other Club 22 donation levels. Club 22 donors will have special perks including events for Club donors and recognition through our social media and newsletter.

There's a saying "hundred times over" that actually translates to mean...many times over. On behalf of the individuals, their families, and our Oklahoma Society, we thank you 22 times over!

Have a meaningful 2022!

Keith Dobbs, Executive Director
